

## **IAAO**

The International Association of Assessing Officers (IAAO) is an educational and research association of individuals in the assessment profession and others with an interest in property taxation.

## **Utah League of Cities and Towns**

Official page of the Utah League of Cities and Towns--an association of Utah municipalities since 1907.

## **Utah Association of Counties**

The Utah Association of Counties (UAC) is a voluntary, state-wide organization operated by the 29 counties of Utah.

## **Other State Agencies or Educational Sites**

For your convenience, we have included the University of Utah Bureau of Economic and Business Research, the Utah Census Data Center, the Utah Foundation, the Utah Geographic Reference Center (which we use for our Nomenclature and mapping layers), the Utah Legislature and the Utah Planning Office. Other State Agencies may be found by clicking on the "Agency List" on the standard toolbar at the top of this page.
